

The Association of Chartered Physiotherapists in Animal Therapy

Course Cancellation Policy

No refunds to be given after one month prior to the closing date.

A full refund minus an administration fee of £25 may be given on request up to one month prior to the course closing date. Where an early bird offer is in place, such refunds will only be given two weeks before the early bird closing date. All refunds are at the discretion of the ACPAT committee and must be applied for at the soonest possible convenience of the delegate.

Exceptional circumstances will be reviewed at the discretion of the ACPAT committee with up to 75% of the course fee to be refunded. The amount to be refunded will be dependent on whether the place can be filled prior to the course date, and monies may be returned up to one month after this time. If the delegate is able to fill their course space with an appropriate ACPAT category member, monies should be organised between delegates and ACPAT should be notified prior to the course.

ACPAT regret that they are no longer able to hold or reserve course places without having received full payment for this.
